## JOB OBJECTIVES

I am qualified in Concept Artist, Character Design, 2D Animation and 3D Animation. I can provide for your company a unique style of animation for both character and story. I am a hardworking, dedicated individual and a team player. I'm a good listener and follow the rules. Professional at work but can also be fun, friendly, easy going, and I like to challenge myself to improve and always do my best. I make sure to ask questions if I don't understand something. I am very passionate about all aspects of Animation. I am also a bestselling published Author and did all of the illustrations in my book.
